

Dear Visitor,

Welcome to our school. Once you have signed in, please wear your visitor badge at all times. Always sign out when leaving.

Whilst in our school please be respectful of the school's ethos and code of conduct.

At Selston Church of England Infant and Nursery School, we have shared Christian values, guiding all our choices and decisions so that we are a good example to those we serve. Staff, volunteers and visitors to the school act as role models to our children, and as such, their conduct should reflect our values. This is a significant responsibility.

Please adhere to the school's Behaviour Policy, a copy of which can be obtained from the school office. Our policy helps us to create a caring and secure environment in which children can learn and play safely. Behaviour problems will be dealt with in a fair and equal way, without prejudice to age, gender, race, religion, ability, disability or culture.

School Policies

Please visit the school website for further policies for staff and visitors www.selston.snmat.org.uk alternatively, speak to the school office for more information.

Confidentiality

Please remember that whatever you see or hear in school is confidential and should not be discussed with others. Everyone has a responsibility to make sure that all our children are safe.

DBS Certificates

All staff, including supply staff, regular visitors and volunteers require Disclosure and Barring Service (DBS) certificates. This is to ensure that unsuitable people are prevented from working with our children. Advice about DBS certificates is available from the school office.

Allegations Against Staff

Any allegations should be reported to the Headteacher. If the concerns are about the Headteacher the Chair of Governors should be informed (contact details can be obtained from the office).

Safeguarding

We are fully committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We promote safe practices for the whole school community through our comprehensive Safeguarding Policy, a copy of which can be found in the staff room.

The Designated Safeguarding Lead is:

- **Tracy Barker**

To ensure that safe practices are maintained please follow this simple advice;

- **Question:** question behaviours and look beyond the behaviour.
- **Ask for advice:** if you are unsure about anything speak to a colleague or member of the Designated Safeguarding Team.
- **Refer:** Document all concerns and / or disclosures on CPOMS and speak to the Designated / Deputy Safeguarding Lead. If you do not have access to CPOMS you can speak to a member of staff or obtain a paper concern form from the school office.
- **DO NOT** decide to do nothing or leave our school without telling anyone should you have any issues, concerns or information.

Health & Safety

We consider health and safety to be of the utmost importance and are committed to the promotion of good practice throughout the school. We have a comprehensive Health and Safety Policy, a copy of which can be obtained from the school office.
